問 1

A horizontal number line is shown, ranging from 0 to 20. Tick marks are present at every integer. The line is divided into two colored regions: the first region, from 0 to 15, is shaded light blue, and the second region, from 15 to 20, is shaded light red. The number 15 is labeled below the tick mark at the boundary between the two regions, and the number 20 is labeled below the final tick mark.
